ISSUES TO BE FOLLOWED IN NATUREL AND HISTORICAL AREAS

The Protected Plant and Animal Species

- Mediterranean Monk Seal, Green Sea Turtle and Caretta Caretta are some of the protected animals in this region.
- Some of our protected plant species are Cyclamen, Iris Flower, Sand Lily and Narcissus.
- 5 endemic plants belonging to 5 ancient cities in Antalya province are under protection. These are Vetch, which grows in Phaselis, Perge's Air Mercury, Side's Monstera, Aspendos' Orchid and Termessos' Crocus.
- It is objectionable to buy souvenirs obtained from protected plant and animal species.
- Hunting is prohibited except for the dates permitted by the Ministry of Agriculture and Forestry.
- We kindly request that you do not participate in activities that separate animals from their natural habitat, such as circuses and dolphin shows.
